PROGRAMME

Managing a rare disease: focus on paroxysmal nocturnal haemoglobinuria (PNH) and biosimilars

Chaired by: Morag Griffin (UK)

- Welcome and introduction**
Morag Griffin (UK)
- PNH: identifying and managing a rare disease**
Christopher Patriquin (Canada)
- Biosimilars: developmental considerations and their use in PNH**
Joachim Beck (Germany)
- Introducing biosimilars: practical considerations**
Gunar Stemer (Austria)
- Interactive panel discussion**
Morag Griffin (UK); Christopher Patriquin (Canada); Joachim Beck (Germany); Gunar Stemer (Austria)
- Concluding comments and close**
Morag Griffin (UK)
